Purpose of Belts & Sashes

The martial arts colored belt & Sash ranking system was originated by Dr. Jigoro Kano, who was Japanese and is known as the " Founder of Modern Judo " and first devised many of the concepts that are the foundation of Modern martial arts. Dr. Kano devised the colored belt system as a visible sign of a student's progress, awarding the first "black belts" in the 1880's

Purpose of Belts & Sashes

The uniform demonstrates a student's commitment to the martial journey. People who learn commitment at an early age are better able to persevere when life gets difficult. High school, college, graduate school, and a career all require commitment.

Purpose of MMA Shirts

A mixed martial arts uniform is pretty basic. According to the sport's Unified Rules, a fighter's attire consists only of a pair of shorts, a shirt (if you're a woman), open-fingered gloves, mouth guard, groin protection for the men, and protective chest gear for the gals. Fighters compete barefoot.

Purpose of MMA Gloves

MMA gloves or grappling gloves are small, open-fingered gloves used in mixed martial arts bouts. They usually have around 4–6 oz of padding and are designed to provide some protection to the person wearing the glove, but leave the fingers available for grappling maneuvers such as clinch fighting and submissions.

Purpose of MMA Groin Guards

Protection is the main and actually the only purpose of the groin guard. So check if it is made of sufficiently strong material so that you do not feel the impact of a hit. The groin guard is especially designed for the purpose of protecting the user from accidental hits that might occur during training or professional boxing sessions. In other words, groin protector is the equipment worn for the protection of the groin region during any combat or fighting sports.
